We have it all! A hotel complex of fine rooms, efficiencies and suites along a white sandy beach. Holiday Isle features tropical pools, a variety of restaurants and lounges, free live entertainment, tropical shops, a marina, fishing, diving, all the watersports and much more!

The vacation "of a lifetime" awaits you at Holiday Isle.

Enjoy all the watersports along our white sandy beach. You can snorkel or scuba dive, sail, swim, windsurf, parasail, and wave run. Or simply relax, grab a tan, and sip one of the famous frozen drinks at the world-renowned Tiki Bar, or Kokomo Beach and Pool Bar or the new RumRunner's Island Bar - our oceanside treehouse.

Dine at one of our fabulous restaurants. We have everything from fast food at water's edge to gourmet dining, with an excellent view, at our rooftop Horizon restaurant.

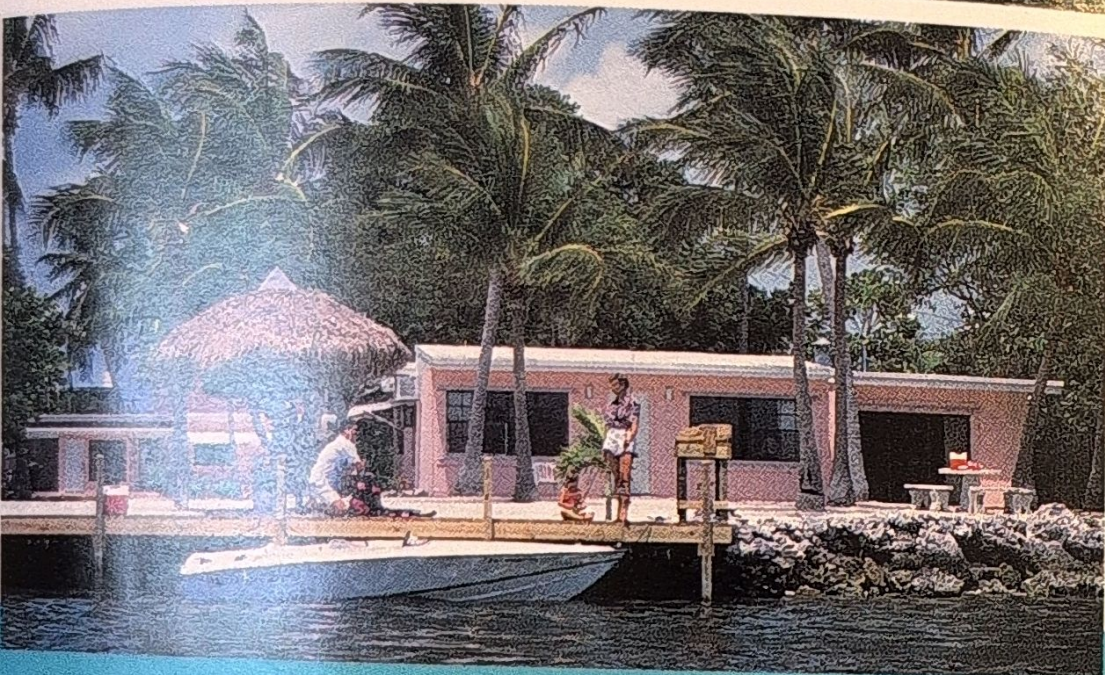

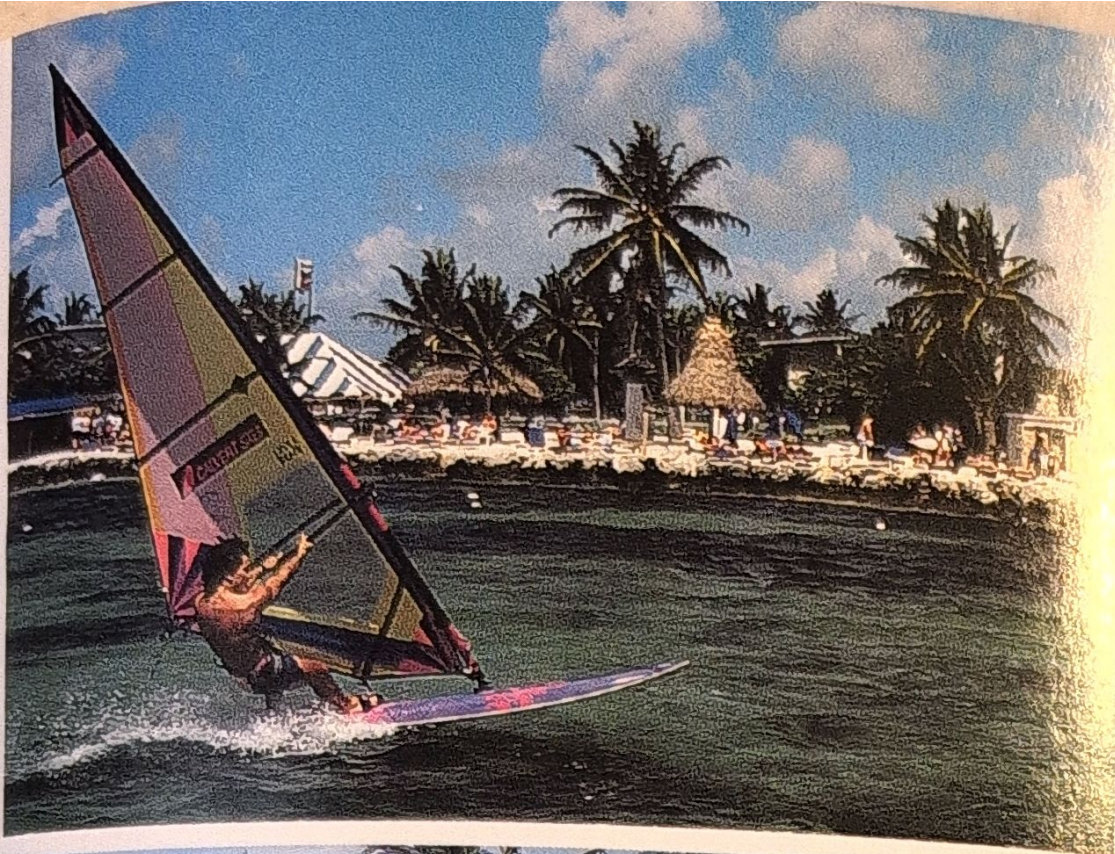

Enjoy daily live entertainment - dance in the sand to reggae, move to the island sounds of calypso, bop to rock, or join the fun of the free polynesian show. Browse through Bimini Town and the boutiques for tropical shopping at its best.

For business or pleasure, Holiday Isle offers complete banquet and meeting facilities - from formal seminars to casual wedding luaus on the beach.

Located in "The Sportfishing Capital of the World," Holiday Isle has a fleet of deep-sea charter boats, party boats, and back country guides. Rental boats and private boat dockage are available at our marina.

Yes, ALL the fun, entertainment, and adventure of America's caribbean islands, the Florida Keys, awaits you at Holiday Isle Beach Resorts.
